RE: Application No. 10/796,916

Dear Mr. Miska,

Enclosed please find the resubmission of my application addressing the issues that you suggested, particularly the "claims."

Since I have filed this application on my own, without the assistance of a patent lawyer, I hope that this is correct.

If however, I am still in error, I do hope that you will afford me the opportunity to make the necessary corrections.

I thank you for all your assistance in this matter and do appreciate your returning my many calls and answering my questions.

I do have the interest of a Pharmaceutical Company and would like to know if I am able to market this under a "patent pending?" Or do I have to wait until and if the patent is actually granted.

I shall await your response. With much gratitude, I remain,

Sincerely,

Theresa Ann Pitocco
